

## HV Switchgear

## XGN15-12 Fixed SF6 Ring-Network Switchgear

SF6-insulated fixed ring-network switchgear for 12kV cable distribution. Compact footprint for ring-main points in urban networks.

### TECHNICAL SPECIFICATIONS

Rated Voltage	12 kV
Rated Current	630 A
Insulation	SF6 gas
Configuration	Ring-network units
Standards	GB 3906 / IEC 62271-200

### KEY FEATURES

- ▶ SF6-insulated, compact ring-network design.
- ▶ Reliable load-switch / fuse combinations.
- ▶ For urban cable distribution networks.
- ▶ Low maintenance.
